Description

Lightweight, powerful entry level unit designed for domestic use. Ideal for a range of applications including cleaning vehicles, patios, decking, motorbikes and barbecues.

Features

- Fitted with a powerful 1300W motor with 318 litre water flow per hour and a maximum pressure output of 110bar.
- Features Automatic Total Stop System (TSS) which switches the motor on and off when the trigger is operated, prolonging motor life.
- Fitted with accessory storage and hose/cable hook to ensure unit stays clutter free and mobile.
- Supplied with 5mtr hose and full accessory kit including variable nozzle, patio brush, rotary brush, fixed brush, detergent bottle and Rotablast Nozzle® which helps develop the same effective cleaning power (ECP) as a 187bar/2720psi pressure washer.
- Manufactured with durable wheels for transportation over rough terrain.
