Features

- Features 17ltr water tank which can be detached from base for easy re-filling.
- Unit can be powered using vehicle's 12V socket, but is also fitted with a rechargeable lead acid battery which provides up to 40 minutes of continuous use.
- Ideal pressure washer where no mains electric supply is available, such as classic car shows and track days.
- Supplied with 6mtr hose, variable nozzle, fixed brush and both fitted with built-in detergent bottles.
- Fitted with accessory storage pouch, durable wheels and shoulder strap for easy transportation.
