Description

Semi-professional, heavy-duty unit for extensive domestic and light commercial use.

Features

- Powerful 1800W motor with a 400ltr/hr water flow rate and a maximum pressure of 140bar.
- Automatic Total Stop System (TSS) which switches the motor on and off when the lance trigger is operated, prolonging the motor life.
- Dual built-in detergent tanks, enable the user to switch between two different cleaning products by simply using the detergent selection control.
- High quality polished chrome and brass fittings.
- Hose hanging hook, accessory storage on the back of the unit and side mounted gun and lance holder ensuring the unit stays clutter free and fully mobile.
- Supplied with variable nozzle, 5mtr hose and Rotablast nozzle which helps develop the same Effective Cleaning Power (ECP) as a 257bar/3740psi pressure washer.
- Heavy-duty composite wheels.
